

THE WONDER SHIP

The Windy Meadow

Piloted by Mr. Domkam &
Mr. Johnson

GROWN-UPS, READ THIS PART FIRST

How to Fly This Book

This book only works if you **move**.

Every page has a **PAUSE**. Stop reading. Do the thing.
Then keep going.

The breathing on pages 3 and 4 is the same in every Wonder Ship book. That is on purpose — it becomes a tool your children can use when the book is closed.

You need nothing. No materials. Just bodies, voices, and breath.

**The Wonder Ship is sleeping.
To wake her up, we breathe.
Put your hand on your chest.
Breathe in...**

PAUSE: Hand on chest. Breathe in.

GROWN-UPS: *Vibration* — EFV Lesson 1, STEAM Class 1. Hands stay on chests for this whole spread.

...and breathe out.

Slow. Soft. Warm.

Now hum. Hmmmmmmm.

Did you feel the little buzz?

That is your engine.

PAUSE: Breathe out. Hum. Feel the buzz.

GROWN-UPS: Every sound starts as a vibration. They just found theirs.

Now the claps.

Clap. Clap. Pat. Whoosh.

Slow claps keep her sleepy.

Sloooow... claaap... paaat... whooooosh...

PAUSE: Slow it down. Four beats.

GROWN-UPS: The Wonder Ship Clap. A pattern of 4 — STEAM Class 4. Slow tempo, low energy.

Faster now. Faster!
Clap! Clap! Pat! Whoosh!
Mr. Domkam grins.
Mr. Johnson counts.
One — two — three — GO!

PAUSE: Speed up the claps until liftoff.

GROWN-UPS: *Energy* — EFV Lesson 2. Faster, harder claps carry more energy. The children are the engine.

UP goes the Wonder Ship.

Up past the window.

Up past the birds.

Up past the clouds.

PAUSE: Stretch both arms up. Reach.

GROWN-UPS: A big stretch resets the body after the fast claps.

Look in the porthole.

Gold.

Gold and moving.

The whole field is waving

PAUSE: Make a porthole with your hands. Peek through.

GROWN-UPS: A quiet beat. Let it sit three seconds before you turn.

Down, down, down.
Long grass bends past the glass.
The Wonder Ship lands.
shush.

PAUSE: Wiggle your fingers as we come down.

GROWN-UPS: Drop to a whisper on *shush*.

We are in the windy meadow.

Open your eyes big.

What do you see?

PAUSE: Open your eyes wide. Look around.

GROWN-UPS: Take every answer. Observation before explanation.

**Close your eyes.
Something is here.
You cannot see it.
But you can hear it.**

PAUSE: Eyes closed. Just listen.

GROWN-UPS: You can hear what you cannot see. That is the whole idea of this book.

Shhhhhhhhhh.

**It is the wind
pushing all the grass at once.**

PAUSE: Say *shhhh* together, long and even.

GROWN-UPS: The wind is invisible; the grass shows it. Sound is invisible; their bodies show it.

Be the grass!

Stand tall.

Sway.

Sway.

PAUSE: Stand and sway. Slow.

GROWN-UPS: Whole-body movement, midline crossing. Keep it slow and even.

Here comes a gust!
Lean... lean... WHOOSH!
And back up again.

PAUSE: Lean one way, then spring back.

GROWN-UPS: Big movement, then a return to still. The return is as important as the gust.

Watch the wave.
It starts over there...
and runs all the way... over... here.

PAUSE: Watch one child start a sway and pass it along.

GROWN-UPS: *Waves* — EFV Lesson 13. The grass does not travel; the wave does.

Make a grass wave.

You go first.

Then you.

Then you.

PAUSE: In a line: sway one after another down the row.

GROWN-UPS: Classic wave. Do it slowly first so every child catches their turn.

Fast wind — *sshh-sshh-sshh!*
High and busy.

PAUSE: Quick little sways. Fast *sshh*.

GROWN-UPS: *Frequency* — EFV Lesson 3. Fast movement, high sound.

4

8

Slow wind — whoooooooooo.

Low and sleepy.

Fast is high. Slow is low.

PAUSE: Long slow sways. Low *who*o.

GROWN-UPS: Same rule as Week 4. Third time they meet it — it is becoming theirs.

**Now the wind stops.
The grass stands still.
Everything waits.**

PAUSE: Freeze. Completely still.

GROWN-UPS: Stillness right after big movement. Notice who can hold it.

One bird sings.

Tuwee.

One small sound
in a very big field.

PAUSE: One child sings *tuwee*. Everyone else stays silent.

GROWN-UPS: A single voice in a big quiet space. Let one child at a time have the whole field.

**Time to go home.
Hand on your chest.
Breathe in...
...and breathe out.**

PAUSE: Same breath as page 3. Twice.

GROWN-UPS: The mirror. This is the regulation tool — the exact move you will reuse at line-up and nap time.

Clap. Clap. Pat. Whoosh.

Faster! Faster!

Home across the gold.

Home, home, HOME!

PAUSE: The Wonder Ship Clap. Slow to fast.

GROWN-UPS: Same four beats as page 5. That is how a pattern becomes theirs.

Bump.

We are back.

**Mr. Domkam grins.
Mr. Johnson counts.**

MISSION LOG

**What did the wind sound like
when you could not see it?**

PAUSE: Everyone makes their own sound. Just one.

GROWN-UPS: *Signature sound* — STEAM Class 12. Every child's sound is different. Say that out loud.

The Wonder Ship Clap

You can fly any time.

1

CLAP

your
hands

2

CLAP

your
hands

3

PAT

your
knees

4

WHOOSH

breathe out

Slow to rest.

Fast to fly.

***Mentality Over Excuses — no materials, no
excuses, all music.***
