

THE WONDER SHIP

The Thunder Cloud

Piloted by Mr. Domkam &
Mr. Johnson

GROWN-UPS, READ THIS PART FIRST

How to Fly This Book

This book only works if you **move**.

Every page has a **PAUSE**. Stop reading. Do the thing.
Then keep going.

The breathing on pages 3 and 4 is the same in every Wonder Ship book. That is on purpose — it becomes a tool your children can use when the book is closed.

You need nothing. No materials. Just bodies, voices, and breath.

**The Wonder Ship is sleeping.
To wake her up, we breathe.
Put your hand on your chest.
Breathe in...**

PAUSE: Hand on chest. Breathe in.

GROWN-UPS: *Vibration* — EFV Lesson 1, STEAM Class 1. Hands stay on chests for this whole spread.

...and breathe out.

Slow. Soft. Warm.

Now hum. Hmmmmmmm.

Did you feel the little buzz?

That is your engine.

PAUSE: Breathe out. Hum. Feel the buzz.

GROWN-UPS: Every sound starts as a vibration. They just found theirs.

Now the claps.

Clap. Clap. Pat. Whoosh.

Slow claps keep her sleepy.

Sloooow... claaap... paaat... whooooosh...

PAUSE: Slow it down. Four beats.

GROWN-UPS: The Wonder Ship Clap. A pattern of 4 — STEAM Class 4. Slow tempo, low energy.

Faster now. Faster!
Clap! Clap! Pat! Whoosh!
Mr. Domkam holds the rail.
Mr. Johnson counts.
One — two — three — GO!

PAUSE: Speed up the claps until liftoff.

GROWN-UPS: *Energy* — EFV Lesson 2. Faster, harder claps carry more energy. The children are the engine.

UP goes the Wonder Ship.

Up past the window.

Up past the birds.

Up past the rooftops.

PAUSE: Stretch both arms up. Reach.

GROWN-UPS: A big stretch resets the body after the fast claps.

Look in the porthole.

Grey.

Grey piled on grey.

Something is rumbling in there

PAUSE: Make a porthole with your hands. Peek through.

GROWN-UPS: A quiet beat. Let it sit three seconds before you turn.

Down, down, down.
Big cold drops hit the glass.
The Wonder Ship lands.
thump.

PAUSE: Wiggle your fingers as we come down.

GROWN-UPS: Drop to a whisper on *thump*.

We are inside a thunder cloud.

Open your eyes big.

What do you see?

PAUSE: Open your eyes wide. Look around.

GROWN-UPS: Take every answer. Observation before explanation.

FLASH!
A bright white light.
Now... wait...

PAUSE: Open your hands wide for the flash. Then freeze.

GROWN-UPS: The wait is the lesson. Light arrives first; sound is still on its way.

...

...

BOOOOOM.

The sound had to travel to get here.

PAUSE: Count on your fingers until the boom. Then boom together.

GROWN-UPS: *Sound travels* — EFV Lesson 11, STEAM Class 11. Light is faster.

Let's count the storm.

Flash!

One... two... three...

BOOM!

PAUSE: Flash, count three on your fingers, then boom.

GROWN-UPS: *Counting* — EFV Lesson 6. Counting the gap is real science, done by real people.

**Far away storm:
count sloooowly.**

**Close storm:
one — BOOM!**

PAUSE: Long count for far. Short count for close.

GROWN-UPS: Bigger gap means further away. They can use this in a real storm tonight.

**Put your hands on your chest.
Here comes a big one.**

PAUSE: Hands flat on your chest. Wait for it.

GROWN-UPS: *Energy* — EFV Lesson 2. Thunder is loud enough to feel, not just hear.

RRRRRUMBLE.

You did not just hear it.

You felt it.

PAUSE: Hum as low as you can with a hand on your chest.

GROWN-UPS: Hearing and feeling are the same thing at different sizes. That is the big idea.

Little rain: *tip tip tip.*

Tiny fingers.

Tiny sound.

PAUSE: Tap two fingers on your palm.

GROWN-UPS: *Amplitude* — EFV Lesson 4. Start small so the growth is felt.

4

8

Big rain: SLAP SLAP SLAP!

Whole hands.

Big sound.

Now shrink it back down to tiny.

PAUSE: Grow from fingers to hands, then back down.

GROWN-UPS: Grow and shrink. Ending small teaches control, not just volume.

Then the storm walks away.

The boom gets smaller.

boom... boom... boom...

PAUSE: Boom three times, quieter each time.

GROWN-UPS: A fade is a story ending. Let it get genuinely quiet.

And the rain stops.

Drip.

Drip.

Done.

PAUSE: Two drips, then silence. Hold it.

GROWN-UPS: End on stillness. The children should be calm when this page closes.

**Time to go home.
Hand on your chest.
Breathe in...
...and breathe out.**

PAUSE: Same breath as page 3. Twice.

GROWN-UPS: The mirror. This is the regulation tool — the exact move you will reuse at line-up and nap time.

Clap. Clap. Pat. Whoosh.

Faster! Faster!

Home under the grey.

Home, home, HOME!

PAUSE: The Wonder Ship Clap. Slow to fast.

GROWN-UPS: Same four beats as page 5. That is how a pattern becomes theirs.

Bump.

We are back.

Mr. Domkam holds the rail.

Mr. Johnson counts.

MISSION LOG

**Which came first — the flash or
the boom?**

PAUSE: Everyone makes their own sound. Just one.

GROWN-UPS: *Signature sound* — STEAM Class 12. Every child's sound is different. Say that out loud.

The Wonder Ship Clap

You can fly any time.

1

CLAP

your
